ABOUT ME

Passionate Graphic and UI Designer, Transforming ideas into stunning visual experiences, creating intuitive interfaces for web & mobile apps, Creative and results-driven Graphic and UI Designer with 18 years of experience, Adept at collaborating with cross-functional teams to deliver innovative design solutions. Seeking to leverage my skills and expertise to contribute to a dynamic design team.

Accomplished and received many medals and certificates of honor from Sharjah Police and UAE Ministry of Interior.

Stay updated on design trends, emerging technologies, and best practices to continuously enhance design skills and knowledge.

The smallest details in any work are what guarantee its success and admiration from the client. This is my principle in work. Do not leave the small details, no matter how invisible.

I am Jordanian, born in Syria, married, and have two kids, I love nature, adventures, traveling, walking, discovering and cooking.

EXPERIENCES

Sharjah Police
Graphic Designer, Web Master
2007 - Until now | Sharjah | UAE

- Mentored junior designers and interns in both English and Arabic speakers, providing guidance and feedback to help them grow professionally.
- Managed content updates, including text, images, and multimedia elements, to keep the website current and informative.
- Provided technical support to resolve content and graphic website-related issues and collaborated with external developers for more complex tasks.
- Utilized Adobe Creative Suite (Photoshop, Illustrator) to create high-quality graphics, illustrations, and layouts, ensuring they met both creative and technical requirements.
- Collaborated with cross-functional teams to conceptualize and create visually compelling graphics, illustrations, and branding materials for both digital and print media.
- Designed and maintained the police website, ensuring a user-friendly and aesthetically pleasing online presence.
- Maintained brand consistency across all digital and print materials, adhering to established design guidelines.
- Contributed to the relation-department's social media presence by creating and optimizing graphics for online marketing campaigns.
- Executed all phases of the design process, from concept development and initial sketches to final production, ensuring high-quality, on-brand deliverables.
- Create and own Sharjah Police profiles in Google Business Profile (GMB), Manage them, and update the data continuously, Recover the suspended file and follow up with Google directly to ensure the correct information is published.
- Managing published police information the in search engines on the Google Search Console platform, removing inaccurate links and incorrect or old information and ensure that the police name appears in all relevant search results.

Orange Advertising
Graphic Designer
2005 - 2007 | Fujairah | UAE

- Designed logos for government departments, such as Fujairah Culture and Media Authority logo, Fujairah International Monodrama Festival logo..
- Participation in organizing festivals and advertising campaigns by Fujairah government.
- Provided sign boards designs for du launch and Pepsi..
- FIBA Asia Championship advertisements designs in Kuwait 2005.
